Website :: www.withycomberugby.co.uk

To the parents of junior players.

As you're probably aware, thanks to the dedication of the coaches and support of the club, Withycombe RFC has been extremely successful in recent years in recruiting boys and girls to the club and now boasts a thriving youth section with a number of youth teams in various age groups.

To continue the good work and provide the children with the facilities, kit and training equipment they deserve requires ongoing funding. Whilst membership subscriptions go some way towards this, we are always looking for new opportunities to raise money.

Hopefully this is where you can help.

My name is Dave Warlow and I'm the youth section sponsorship secretary. I am hoping that you may be able to help increase the club's youth sponsorship by providing the club with contact names within local companies who we can approach seeking support for the coming season and beyond. This may be the name of someone where you work, who you know outside work, or a company you may know of that's keen to support local clubs, particular helping youths.

Please don't be put off by thinking sponsorship is too expensive, especially in the current tough economic climate, as the cost of sponsorship needn't be too onerous. It can range from a small one-off donation, to being one of the clubs main sponsors and anywhere in between. Any and all assistance is welcomed.

If you think your company might be able to help us, or you can provide a name of someone who can, please contact either Dave Josey at dave.josey@withycomberugby.co.uk or myself at dave.warlow@withycomberugby.co.uk, or just come and have a chat with me during training sessions or matches.

If you have any other ideas for raising money or are able to help in any way please contact me. Volunteers are always welcome.

Thanks for your support.

Dave Warlow
